

BELTABLE

The 1st emotional BBGrill table with friends around

ON THE PATIO

Beltable becomes a BBQ!

Set-up the dashboard and let the fun begin!

WITH YOUR FRIENDS

Make room for your friends!

Practical bench with folding legs!

IN THE GARAGE

You can open and close its “wings” according to the available space!

Follow your heart!

It is fitted with wheels so very easy to manoeuvre!

IN THE GARDEN

All the BELTABLES with BBGRILL dashboards are equipped with a dashboard cooling fan system at the bottom and on the surface to ensure your guests have the best experience ever.

We recommend using no. 2 standard grills commonly found on the market measuring 35 x 40 cm, or combining the AISI 304 steel grills we manufacture ourselves, the single version measures 39 x 38 cm and the maxi version 39 x 72 cm.

DIMENSIONS:

150 x 115 cm open H= 75 cm

150 x 54 cm closed H=75 cm

charcoal pan size: 74 x 32 cm

OPTIONAL:

- “Rocker” fire lighter - the perfect flue for your BELTABLE
- AISI 304 steel grill 39 x 38 cm
- AISI 304 steel grill 39 x 72 cm
- Extractable steel tray 37.5 x 48 available with a depth of 3 or 8 cm, ideal for your bar corner or any other use beyond the BBQ world
- Matching wooden bench with folding brackets 150 x 28 cm, h = 49 cm
- Heat guard/skewer holder bulkheads in brushed finish or painted AISI 304 steel
- Charcoal stoker - FREE OF CHARGE
- Heat protective gloves ideal when extracting and replacing the charcoal pan
- Extractable AISI 304 steel side pan/tray
- Safety storm cap for use on empty grills to prevent self-combustion
- Skewered meat accessory in AISI 304 steel
- Stereo system

Have fun customising your BELTABLE with our wide range of accessories

GOLD VERSION - to be discussed at the time of order

WARNINGS:

Please be reminded that, by law, the layer of charcoal must never exceed 5 cm in height.
Keep out of reach of children.
Never leave the fire and charcoal unattended.
