

# **BELTABLE**

## **Emotional BBGrill table**

Beltable is a table Barbecue! You can move it where you want with your wheels.

It is not only a Barbecue, it can use for Cold Aperitifs, Cocktails and amazing Barbecue.

You can use all the year like Barbecue or Emotional table or thousand other occasions inside your home, for your children, for friends or for your unexpected guests.

### TECHNICAL DATA:

All the BELTABLES with BBGRILL dashboards are equipped with a dashboard cooling fan system at the bottom and on the surface to ensure your guests have the best experience ever.

We recommend using no. 2 standard grills commonly found on the market measuring 35 x 40 cm, or combining the AISI 304 steel grills we manufacture ourselves, the single version measures 39 x 38 cm and the maxi version 39 x 72 cm.

### DIMENSIONS:

150 x 115 cm open H= 75 cm

150 x 54 cm closed H=75 cm
